October 20, 2026

To: All Students and Staff

From: Facilities Office, Sample Institute of Technology

Notice of Fall Fire Drill

Thank you for your continued cooperation with our safety program.
A fire and earthquake drill will be held on the date shown below.
Classes will pause during the drill, and everyone will move outdoors.
Please stay calm and follow the instructions of the staff on duty.

Details

1. Date: Thursday, November 12, 2026, 10:30 a.m. – 11:15 a.m.
2. Scenario: A magnitude 6 earthquake followed by a fire in Building B
3. Assembly point: Main Field (north side of the front gate)
4. What to bring: Nothing (please keep your valuables with you)

If it rains, the drill will be replaced by an indoor announcement.
A final decision will be posted on the campus portal by 8:00 a.m.
For questions, contact the Facilities Office at ext. 2045.

Thank you.
